

Culminating Activity (Service Action) REFLECTION

- 1. Give three examples of how you feel you made an impact on your target audience. Describe and explain what your impact was.**
- 2. What obstacles did you face in implementing or completing your service action as planned? How did you solve your problems?**
- 3. With which aspects of your service action are you most proud or satisfied? Explain.**
- 4. Who or what helped you the most to fulfill your service action plan?**
- 5. How could you have made this action better?**
- 6. What is the best advice you could give an underclassman preparing his/her service project?**
