

## TECHNOLOGY CHECKLIST

Keep track of the technology you used to help you complete your project. Check as many that apply and turn it in with your portfolio at the end of the project in May.

Check	Type of Technology	Check	Type of Technology
<i>(Sample)</i> <i>X</i>	<i>Word processing</i>	<i>(Sample)</i> <i>X</i>	<i>Word processing</i>
	Word Processing		Email
	Video camera (non digital)		Photo software
	Editing equipment		Audio equipment
	Computer graphics		Web Design
	Film camera		Scanner
	Digital camera		Internet search
	Digital video camera		Graphic organizer software
	Presentation software (i.e. PowerPoint)		Spreadsheet software
	Video software (i.e. iMovie)		Presentation equipment
	Other		

- 1. I verify that I have used all technology checked above ethically and honestly.**
- 2. I verify that I was trained and certified to use the Internet for this project.**
